

# BUTTERFLY DROPLETS #18.

Dear John,

I love you! - And Merry Christmas!

We will have Eternal Warm Christmases together Someday; and we will enjoy other culturally german things too, I am sure. There is an interesting reference to a valley far in the west, on a different continent, in the Book of Enoch. See, look at this quote about it: "Then said I: 'For what object is this blessed land, which is entirely filled with trees, and this accursed valley between?' Then Uriel, one of the holy angels who was with me, answered and said: 'This accursed valley is for those who are accursed for ever: here shall all the accursed be gathered together who utter with their lips against the Lord unseemly words and of His glory speak hard things. Here shall they be gathered together, and here shall be the place of their habitation. In the last days there shall be upon them the spectacle of righteous judgement in the presence of the righteous for ever: here shall the godly bless the Lord of glory, the Eternal King... .. And thence I went towards the east into the midst of the mountain range of the desert, and I saw a wilderness and it was solitary, full of trees and plants... .. And beyond these, I went afar to the east, and I saw another place, a valley full of water... .. And I came to the Garden of Righteousness, and from afar off trees more numerous than these trees and great - two trees there, very great, beautiful, and glorious and magnificent, and the tree of knowledge, whose holy fruit they eat and know great wisdom... ..' This is the tree of wisdom, of which thy father old in years and thy aged mother, who were before thee, have eaten, and they learnt wisdom and their eyes were opened, and they knew that they were naked and they were driven out of the garden." (The Book of Enoch XXVII - XXXII.)

I think that it is pretty clear that Enoch is travelling around North America in these sections; first through the Salt Lake Valley, second over the Rocky Mountains, and lastly to the Garden of Eden in Independence Missouri. I find it amazing that Enoch correctly prophecies where we will be in the last days, where the judgements will begin, this valley's proximity to Bethbahir, and their geographic relationship to the Garden of Eden! I find it mind blowing!

Look at this reference: "And in those days the angels shall return and hurl themselves to the east upon the Parthians and Medes: They shall stir up the kings, so that a spirit of unrest shall come upon them, And they shall rouse them from their thrones, That they may break forth as lions from their lairs, And as hungry wolves among their flocks. And they shall go up and tread under foot the land of His elect ones, [And the land of His elect ones shall be before them a threshing-floor and a highway]: But the city of my righteous shall be a hindrance to their horses. And they shall begin to fight among themselves, And their right hand shall be strong against themselves," (Book of Enoch LVI.)

Notice, the Parthians, which are any northern horsemen can be Russia, while the Medes are Iranians, and these are the two big players in this prophecy of Armageddon. I meant before that the Book of Enoch is

Scripture at least to LIV, but further also it looks like. LOVE Abraham
