

## FATHER ADAM'S BLESSINGS AND REVELATIONS TO ME

Father Adam, who is also John the Beloved, has shared Sacred Revelations with me. These Revelations I share are taken out from the whole documented Revelation, as not all content is to be shared with the world at this time.

Verily, verily, my servant Joseph Smith Jr. was indeed thy son Joseph who was sold into Egypt. [...] And, behold, I will bring thee unto him, and him unto thee, and ye shall be reunited.

My son, John, thou knowest David Lawrence Reichner from at least one past life, and shalt come to know who he is again in mine own time, saith the Lord. For now, I say unto thee, teach David the keys of the fulness of my gospel, and then wait patiently to see where things shall go from there.

My son, John, I love my son David Lawrence Reichner. Behold, he is my servant, even from before the foundation of the world. [...] Verily, verily, David's ehyeh is celestial; [...] for he shall be thy son in the tribe of Ephraim. Amen.

My son, John, my servant David Lawrence Reichner is indeed the reincarnation of Joseph Smith Jr., and is one of mine archangels. Did I not say by my servants in times past that Joseph would return? Thou, my servant John, shalt take my servant David under thine arm, as thou wouldst a younger brother, and shalt teach him, and strengthen him, and correct him with love wherein he erreth, and shalt help him accomplish the mission that I, your Savior, have given unto him. And, behold, he shall accomplish it under thy direction; for as I have hitherto said unto thee, Joseph Smith Jr. shall be thy son in the tribe of Ephraim; and I did also say unto thee in time past that thou wouldst correct Joseph and judge his works; and, lo, I have brought him unto thee; and he shall be subject unto thee in my priesthood; for I have appointed thee to stand as the head of this last work and dispensation. Let you three, my servants John, & Sam, and David stand together as one — for ye are mine, and are in my hands. Behold, I come quickly, and am with you until we meet again, face to face. Even so. Amen.

David [Lawrence Reichner]'s wife Barbi is indeed Emma Smith, I, their Savior, reconciled the two of them before, and will do so again. Yea, David shall have Barbi again, even for all eternity, and shall be reunited with & reconciled unto his children also. For I will fully exonerate and vindicate David in the eyes of all. Barbi is David's original ehyeh-counterpart.
