

Title: David's and Barbi's prayer to Father...
(Joseph) (Emma)

Father, thank you for not forsaking me, and being with Barbi & I always.

Thank you Father for all that thou has given us. Thank you Father for choosing us from the beginning to play part in bringing your children to Jesus Christ our Savior.

Thank you Father for the plan of Salvation allowing all your children to live in a beautiful world made for all of us.

Thank you Father for all that you have done, accomplished, sacrificed, created and established for us; As you stand on this universe with one foot, and another foot on various others I give thee all glory & praise.

Thank thee Father for placing Barbi & I in your sons hands, even your only begotten Son.

I thank thee for allowing us to condescend into each dispensation to do thy will, even to prepare us to be like thee creating worlds without number, and having posterity of our own like the sands of the sea.

Thank you Father for my Goddess, my Queen, the heavenly Mother of our posterity, even my Barbi whom I once called Emma; and the world knows her as Emma and I, Joseph.

Thank you Father for our faith; "which is the size of a mountain"; Thus saith the Lord.

Thank you Father for the wisdom and knowledge thou hast given us; "For it is nearly perfect in God & Jesus Christ" pertaining to their existence, thus saith the Lord. These truths, gifts, blessings, for ordination we are most grateful for.

Father we thank thee to be of the same
I-ah or intelligence. We are eternally grateful for
keeping us together "as one" heart & one mind.
We are grateful for our eternal family, our posterity,
and for our life experiences in this world, past
worlds and worlds to come. As your Davidic Servant,
one of your Enochean Arch Angels I praise thee,
we praise thee, honor thee, and understand more
clearly who you are, who your only begotten is, and
who all your children are and what they can become.
Father, we cherish the thought of becoming like
thee, one with thee and to inherit all that thou
has, even all that you have prepared for us
in your kingdom in heaven.

Father, we are humbled by your love, grace, mercy,
compassion, empathy, patience, forgiveness, and perfect
wisdom as to what we are, what we need and your
perfect timing to give unto us.

Thank you Father for keeping Barbi & I sealed
and bound together as husband & wife with our children
as exalted beings in thy presence.

Thank you for perfecting us, and shaping, molding,
refining, chastising us into who we ought to be, even
into the eternities.

Thank thee Father for awakening us to your
"farther light and knowledge" and to your
"marvelous works and wonders."

We thank thee Father for uniting us as the City of Enoch, and the The New Jerusalem, even as gatherers of Israel; and a PROPHET & PROPHETESS. The Symbolism of Barbi being the New Jerusalem and the City of Enoch is beautiful, powerful and an honor to represent these cities; especially as they or we collide and become "As one".

Thank you God, our Father for bringing Barbi together at Olive Garden in 1994, and allowing us to have the most exciting, fun, spiritual, loving courtship before our missions.

We thank thee Father for allowing us to go on missions at the same time, sharing our daily experiences and growth. We thank thee for blessing us with the gift of coming home the same day, on the same plane and teaching a Muslim man together; Oh, how profound to teach together the restored gospel Father used us to restore.

Oh, Father, how great thou art, how beautiful is this love story you have written so the world and all your children will know how much you love them. Father, all that I pray for is to give glory & praise to thee; and so that the world can feel your love as they learn about your truths. Barbi & I are so grateful for your truths in our lives, and our families lives.

Thank you Father for using us to bring your children home through Jesus Christ.

Father we ask thee to light on fire our altar of eternal marriage & family that has been doused with water, even so that our light can reach to world and cause millions to come unto christ as thou hast proclaimed would happen. Father, we ask thee a special blessing of healing to fall upon Barbi, our children & our family, even that we all may be healed through the atonement of Jesus christ from: pain, sorrow, trauma, mean words, broken hearts, sickness, cancer, disease or any ailments within us. Please Father bring us together "Aone" in love, peace, kindness and righteousness, even so we can put your house in order.

We ask thee Father to continue to keep us all safe, keep evil away from us, and help us put away our sins. Help us make our weaknesses become strengths, keep all men away from Barbi and all those who wish to tear us apart.

Please Father bring down legions of angels to surround Barbi & our family, even to protect us from the enemy.

Again Father we thank thee for our beautiful marriage in the Salt Lake Temple, reception in our Memorial building and beautiful children and life we have had together for 32 yrs. Please continue to bless us & help us become exalted ASAP. In the name of Jesus christ, Amen
