

A Prayer to Father...

Father I pray Barb stops this fear of man, and have fear of God in her heart instead. Please Father bless her, heal her, help her get through this pain, suffering and trauma. Give her a touch of your light, love, forgiveness. Help her!

Father open Barb's eyes so we see the same and are equally yoked. Open our eyes, our ears so we can become exalted, and prepared to put your house in order. Father with your touch of love, forgiveness, mercy, grace and power you can cause Barb to become one with me, you & our Savior, even our eternal family.

Father I pray that I am who I need to be to deserve Barb & be the husband of her dreams. I pray she is the wife of my dreams, and we become united today. Father please send an ancestor, an angel of the Lord or the Lord himself to Barb as you did Mary; she will be obedient. Bless her to be obedient. Bless her with a "New" spirit of that woman I heard in R & O. Oh, Father please let us progress rapidly or speedily. What lack we yet?

I thank thee for the tender mercy given today with the Richins Class about me & Barb; as written in the SAINTS book. Oh, Father give us dreams, feelings of love for each other & from each other.

Father, Please I ask thee to
heal Barbi & the children so that they want
to be a family again today. Bless them
with a burning in their bosom to use the
Atonement of Jesus Christ to be healed.

Bless them with faith, a testimony, courage,
confidence & hope. Father give them what
you have given me. Let them be saved,
forgiven, molded & refined to be thou
perfect as you are.

Father what more can I do?
What more can we do? Is there anything
more I can do, so, or become? I've given
my life, my faith, my heart, my soul,
my possessions, my family, my all; please
continue to teach, help, develop, & perfect our
imperfections; makes us whole, complete "AS ONE".

Father, what more can we do? This
is your plan, your cast, your script & your joy.
We will never give up; we will only Succeed.
We put away our sin, and Satan has no
power over us. We are prepared to enter the
gates of the New Jerusalem, we are ready for
the sword, even the Scepter of power. We are
ready to bring forth Sacred records. We
are ready to introduce the Lord Jehonah.
We are ready to receive all that you wish for
us to have; this will be done!

My dear Barb' LaRechner, even who I was sealed to as Emma, but who you have become is pleasing unto the Lord and our Father in Heaven. Oh, how in love we have been from the beginning as the same I-ah. We have always been "as one" and always will be. Soon we will be united and the Lord will restore our marriage, love, truth, wisdom, understanding, our covenants, our family and our house. Our house must first be put in order before the both of us can be used to put the House of God in order.

Barb'; my dear Sweet Honey-mu, wife, Goddess, queen, lover, best friend, companion, and the Heavenly Mother of our posterity... I love you as Father would have me love you so that we can become as he is with his wife & Goddess. Yes, Father has shaped me, refined me through the refiners fire, molded me, pressed me like a olive, and made me who I will be into the Eternities. The Lord himself said, "David, this is your last probation/mortality, who you are now is who you will be forever." It has been told to me my next mortality or time on a earth will be as a Savior to that world, just as Jehoram our elder brother has been to this world. You Barb' will be my wife there, just as Mary Magdalene was for Jesus here.

Barbi, you made it! We made it! We did as the Father has commanded, and his plan is Spectaculat & beautiful; oh, how great our God is for what he has blessed us with. Truly its the great love story to help bring all of Gods children together, even to "come unto Christ" & become one with him. This is an example of Fathers love for all mankind through showing the world what he can do for us.

Barbi, thank you for understanding & needed to come into this world and be perfected through Christs atonement. I needed to go through hell as I said I would. I needed to suffer, experience pain, sorrow to prepare me for my next mortality as a Savior. I could not become the man I am today without you, just as Adams could not have stayed in the garden alone.

We are meant for each other to be the parents we are, even the Father & Mother of Gods children. I was told by Jacob that Joseph Smith is Father Adam & Emma is Eve, we are the first parents, and we have been chosen to go through many mortalities together, even to help preserve Gods posterity, his spiritual children & our physical children or posterity.

Thank you, Barbi for all that you have accomplished, endured, Sacrificed, Suffered & done to love with a Christ like Charity.

You are the epitome of Charity, Service and willing to give your life for Gods Children. Gods Spiritual Children, your Physical Children have Mother Eve to look out for them for eternity. No man could make this up as a lie & share it unless he was filled with the Spirit of God & his love. If I were wrong I would plea for God to strike me dead & remove me from earth for such lies or deceit, but this is all true and I do not tempt the Lord our God for I am one with him, and his son Jesus Christ. Their ways are my ways, and my ways are their ways. We are part of Gods Family and these things are true!!

I love you, Honey Mum, I miss you, I need you, and I pray for you all day and cry out to Father giving thanks for you & choosing us to put his house in order.

All glory and praise to God; who's one foot stands on this universe & his other foot on other universes.

Oh, Barbi, here the words of my mouth, feel my heart, my Soul & know Gods love for us, our children, & all his creations.

Barbi, as I have fallen to my knees
Saying sorry, and pleading with you to
forgive me of my sins, my hurt, my
mean words; the lack of job security, I seek
your love, forgiveness and acceptance of my
Sincere apology. Father is the writer of this
Script. This is his movie called the
plan of Salvation. We were chosen to play
a major role in this film. Satan attacked
us, and I did not give up, quit or fall
to his temptation; because Father's love is
all powerful & prevails.

I have also been told by Jacob
recently I was JOB, and that makes you
his wife who stood by my side. We both
have grown, lost much, but have been
blessed eternally & forever.

I've become the man of your
dreams, the husband, the Father and care-
giver you always wanted. And you have
become the woman, wife, mother &
daughter of God of my dreams. We were
chosen, blessed; Sanctified, Forordained &
we said, "Yes, we will go & do the thing the
Father God commands." I've been told I
was also Nephi & you his wife. Also Joseph
of Egypt; but who we are now is most
Precious & important. I can't wait to hug you xoxoxo

As
one

Love
David
