

David & Barbi Reichner family update,

Judge Denise Porter illegally Sent David to Florida to do 3 years of probation. She also told David not to come back to Utah; which is also illegal. The plea deal was not followed by the Judge. Therefore, the appeal will go through with a strong argument in favor of David Reichner being wrongfully imprisoned. The Lawyers will also seek to remove the protective order that was never wanted by anyone, but forced upon "us" by Child protective Services/DCFS. In the DCFS file my wife of 32 yrs, Barbi Reichner wrote, "we have no need for DCFS to be involved in our lives." She also wrote, "I have no desire to get a divorce because of religious beliefs; and I love my husband, children, Father in heaven and the Lord Jesus Christ." Barbi was forced by DCFS & a young single female agent who has never been married, has never had children, and whose last text message was, "I am no longer your agent, I am changing careers." This was after me filing a class action lawsuit. Also, the Assistant Attorney General asked me to give full custody to my wife & they will pull the plug on the child welfare case. I said, "Heck ya, get off her back & stop threatening her, coercing her, & forcing her out of fear of losing our kids."

Our DCFs = child-welfare case is the only case where the plug has been pulled & the file was kept from anyone; until my lawyer Elizabeth Hunt found it & exposed the truth. My wife wrote on the protective order, "I have no fear (of my husband) but those around me are forcing/influencing my decision." In short, they were threatening her to get a protective order or else they would take our kids into a foster home.

My lawyer is asking the board of Pardons to move up my hearing date A.S.A.P since my appeal will go through, and it's clear I have been wrongfully imprisoned. Once the appeal goes through a civil lawsuit against Judge Porter must be filed to protect David & Barbi Reichner family from this happening again to them or others. A fund will be set up to help others who have been wrongfully judged. Also, I will be running for office and or a leadership position to help Father cleanse all evil of the earth; starting in Zion or Mt. Zion.

I love my Goddess, wife and eternal companion, as the Lord loves his wife, Mary. I love our children, all Reichners & Cundins & all Gods children on earth. The world will know the truth soon!! The truth shall set us free.
