

Dear John,  
 I love you! The Revelation in # 26, was amazing! Thank you so much for it! This frustration is not against it in any way! I hope you find this funny actually. I LOVE you!  
 LOVE Abraham

Helligens the grass  
 Servants and Concubines

I thought about drawing a sword of Damocles with the word "Detection" on it, but thought that too negative. I love you! I am frustrated with myself: I love you so much!

LOVE Abraham -
