

any traditions. I should rephrase that: I am sure you still have this insight. Maybe to truly begin the setting-in-order, we must fully realize how much needs detection at the beginning of the dispensation, not only with us, though. I know you have the ability, by the Spirit of God to figure out what is what with all this. I know you are the one called to do it! I only want to know the truth! I am willing to buy "Joseph Begins his work, Vol, 1+2," and just bask in the original printing of the Book of Mormon, relying on the Grace of Christ and the keys. I am also willing to look again to post-1830, and deep doctrine, as you detect it and show it to be true. I love you! I love God and Christ! I love Sarah! I love the truth! Help me with all this!!! I love you Eternally, worlds without end!

LOVE Abraham -

P.S. I love you! -The end is close, even at the doors. I know Christ is with us to the end of the world! I love you in Christ forever! I love you! -so much! Also, I don't feel any gender nonsense. I feel more independent emotionally, even though I still love you, and want to spend most of Eternity + my time in Eternity - no big gaps, Heh - with you. I am nothing; I just want to know the truth and please God our Lord, and Master, and savior! I love you! Please forgive me for all the questions. I love you with all my heart and soul!
