

## MY KEYS:

11/23/25

God exists, as surely as we are experiencing His reality. God is ALL-knowing, ALL-powerful, and God's hand is in ALL things, even in every particle in the whole Universe. (D+C 59:21, and D+C 88:41.)

Because of the foreknowledge of God, God already knows exactly how we will use the free-agency that he has given us; for He also knows our exact nature or will. (Romans 8:29-30, and Isaiah 10:15.)

We did not come to earth to prove to God who we are, God sent us to earth to prove to us who we are. God knows the exact nature of our core being, or I<sup>uh</sup>, and He therefore knows what we will do; what we will become, and what degree of glory we will inherit according to said nature. (Romans 9:17-21.)

In the Garden of Gethsemane, God put upon Jesus Christ the portion of His ALL-knowledge that pertains to all of our suffering, heartache, disappointment, pain, sin, sorrow, and loss. (D+C 19:15-20.)

Because God is the sole cause of ALL things in the Universe, including our choices, having given us our agency, knowing perfectly how we would use it, God is also therefore the author of all of our weaknesses. God gives us our weaknesses so that we will be humble, and if we are humble then God can "flip the lens" of our attribute, from being a weakness into being a strength, through Christ's Grace. (Ether 12:27.)

God is humble, and looks upon us humbly, knowing that He would also make mistakes if he were given the same weaknesses that He has given us. He raised us as spirits, and He held us on His knee, and He Loves us. (Moses 7:28.)

The test of life, which God is proving to us, is not about how many sins we commit, or how great our weaknesses are. The test of life is for us to see if we will unconditionally embrace the Love of God through the Grace of Jesus Christ, and forgive everyone for everything, and return that Love and grace to God, and to everyone else around us. (John 1:16, and Matthew 6:14-15, and D+C 93:12.)

Everything that happens to us, and everything that anyone does to us, is done to us by God, for God's hand is in all things. Therefore, it is not our place to hold anything against anyone at all, in the first place because God is the Cause of ALL things, including everything that we have done. We cannot take credit for anything, not even for our sins, because God causes ALL things. We are nothing, and God does everything. Instead of holding anything against anyone, we are required to thank God in ALL things, even for our trials. Denying Grace is unpardonable unless you repent by embracing Grace for everyone, and for yourself, by forgiving everyone and yourself. (D+C 59:7.)

The gifts of God are without repentance, and if they were not we could not repent, because faith is a gift of God. Without the Grace of Jesus Christ we could not have a mighty change of heart to be changed. The Lord Omnipotent works a mighty change in our hearts, or in other words God repents us. Faith, Charity, Love, and Grace are gifts of God, and part of the Spirit of Christ. (Romans 11:29, and Mosiah 5:2.)

ALL miracles are equal because God's hand is in ALL things; therefore, ALL things in the entire Universe are the miracle of God. We do not know what goes into parting the Red Sea, or into changing someone's <sup>heart</sup>, but either way, all things are easy unto God.

Nothing comes from within us; ALL things come from above, or from God. Reason out every temptation, resist the devil, rely upon the Atonement of Jesus Christ to purify your heart so that you can detect all things; for discernment is predicated upon the purity of one's heart. Love the wife of thy youth. Espouse virgins. God gives Grace unto the truly humble, and those of a contrite heart. Jesus Christ is the rock of our salvation. In the name of Jesus Christ, Amen. These are the keys of the fulness of the Gospel, and the cheat codes of life, as far as I am able and permitted to teach them at this time. Love Sam-
