My direct Paternal line also includes John the Baptist, who is the 66th from Adam, and is labelled on the list as "Yokhanan III the Baptist." The list also shows his link to the Oniases or in Hebrew the Uzziahs, which were the main line of High Priests. John the Baptist's son Samuel came by Revelation but is also Corroborated by the Mandaean book of John; also found in "John the Baptist and the Last Gnostics," by Andrew Phillip Smith (London: Watkins, 2016), p. 157. Samuel #67's son Phineas Ben Samuel, was the very last High Priest in 70 A.D.. All these men are in my direct Paternal line through Aaron.
