Response to Elijah's Fourth Epistle

Dear Brethren,

For the sake of having no suspense, I declare with words of soberness, and with the Spirit of God, which was granted unto me through infinite Grace and Love last night, by God, the Father of us all, and through his Son Benbanah, that Elijah's Epistle, marked #4, is true, and is the standard of which has been prophesied! If it were not for receiving Elijah's fourth Epistle, I may very well have been left to myself, a son of perdition.

Here is what happened: I received your fourth Epistle, and your Elisha's, letters of the 4th and 5th both on the same night, last night. I read your Elisha's letters first. I felt a powerful spirit similar to that which I have had of late, and also comfort which played upon my sensibilities, and carnal desires. I then read, your Elijah's, Epistle. Elijah, your Epistle #4, was the most beautiful Scripture which I have ever read! It was the first part of Genesis, after Genesis, which I have ever seen! Glory to God the Father, in the Heavens! And peace on the earth! I knelt down and believing in the infinite Grace of Christ, I plead for forgiveness! For the first time since being separated, I addressed God in behalf of both, Dinah and I. I asked that we would be forgiven, believing in his Grace. The Spirit which fell upon us, was the setting in order spoken of. It was so powerful that I knew, that your Elijah's words are true, even the Ensign promised, even the message of the covenant! Elisha, speaking unto you, I also knew, and know from that very same Spirit of God which has come upon, me, confirming All of Elijah's words, that your revelations are false. And not only are they false, but just as I was headed to perdition, so also if you do not forsake this evil spirit, and repent, will you also become under condemnation. Repent using Elijah's fourth Epistle as your guide, you, as Elijah testified, are in danger of Eternal hell fire. Please repent quickly!

I stand as a second witness to Elijah's words. He is the standard, and this Epistle is the covenant! And in the mouth of two witnesses, it may be established; but you have four witnesses, even Elijah and Alina, and Dinah, and I. We are now one! And stand as four witnesses before you! I say in the power of the Holy Ghost, if you are the "messenger of the covenant" than why did Elijah, just deliver the covenant unto us? I say in the name of Jesus Christ, that you, Elisha, are NOT the messenger of the covenant, but Elijah is the standard, and hath now given us the covenant as an Ensign, see ye it! I testify unto you that Elijah has delivered pure Revelation and has been right all along, in ALL things.

The next thing that happened: I was suddenly reminded by the devil, that I had "claimed" to be God, and hence said that I was "that man of sin, the son of Perdition." I unfortunately became very afraid and sad, and repentant. My jaw started hurting, I was grieving and worried, yet very repentant, knowing of my nothingness. Finally, after some time Christ said, "Do you believe in me?" I said yes, and he went on to ask me where my faith was. I cried, and I realized that I believe! Even more than ever! I had to abide in pure faith like knowledge for the first time ever! He said, "Do you forgive yourself?" I said, yes! Then addressing him in behalf of both of us again Grace came flooding in like a refreshing wind, like Life! I received pure Grace, and Dinah, and I stayed united, and life flooded into my mind like green fields of life. I realized that all the falicity that I have ever tried to express is this! It is THIS, connection given me by Grace, and taught unto me by your fourth Epistle!!! All my exaggeration and non-sense, and lies, and false revelations, ALL my days, have only been an attempt at capturing the faint echo, of this connection by Grace, delivered in pure Scripture, as Epistle #4, which is our reward of the covenant, in our Eternal union.

After I fell asleep, God gave me dream after dream last night confirming my salvation, so I awoke in pure thanksgiving, thanking God with all that I am for not being a Son of Perdition! These latest false Revelations, and crazy things have been like waves, more powerful, and more deceiving than ever before and yet now all is calm. I never knew such visions and things could be deception, so I asked God why he brought me literally unto the precipice of perdition. He told me, that he gave me this weakness so

that Elisha can see it and take courage to repent of his false Revelations; and my deception held to be, ^{12/29/20} worse, so that you, Elisha, can see. You can simply ask for Grace and abandon them! You can forsake evil spirits, and just start again, by the Mercy and Love of God, and By the Grace that is in Benbanah!

Now about my dreams: In one dream I had logs for the camp fire. On each of the logs was an inscription. (This anagram like theme was in several of the dreams.) I don't remember it exactly but it was to the effect of, "GOD," "FORGIVES," "YOU." Actually I remember now, that, that is it! Because, when you remove the middle one it becomes the Blasphemy of which I am being forgiven. So in my dream, I see the middle one and get excited, and say, "I need forgiveness, that one is for me!" So, I take "FORGIVES," and after I do so, I see other people sitting around the campfire, just staring at the two logs, "GOD," and "YOU," I say "Oh no! What have I done? They need forgiveness!" Then I start walking towards them, and I hear the voice of God say, "No, do not return to them, take forgiveness and depart another way!" I said, "why?" Then God said, "Since you have taken forgiveness, they will not forgive you, but will shed your blood! This is how you shall know the true man of sin, the Son of Perdition, he will shed blood." In my next dream we were going up to a tall mountain. God said, take only this kind of food, and only this book, the scriptures; and nothing else, "for I will snow you in, for three months, and if you take one thing more, you will run out of food." So I go to work, only packing one kind of food, and that one book. Then a man comes to me and says, we need this book too. I said, "no." Then he tries to kill me, and I run, I then hear, "This is that man of sin, the Son of Perdition. You shall know him because he hath not forgiveness, as ye have." Those are only two dreams of like Twelve or fifteen; not all of which I can remember clearly. But I awoke with a heart overflowing with Gratitude! I then dedicated our Covenant unto him again, and I have been filled with Grace! Elijah, rejoice, for you have gained my Soul, unto God. This is humbling, but it took the threat of Perdition to finally make me humble, and contrite, knowing that I am nothing, and without his atonement, and this covenant, I would be burning!

Elijah, your Epistle is amazing on so many levels. Firstly, you have finally solved it for me. Let me explain. Our values of virginity were so ridged in my mind that it has been the primary source of my suffering. Then you, who have already had your Jah counterpart defiled, explained in perfect clarity, that it is about viewing each other (spouses) with perfect humility in Grace, which truly causes Eternal union; and furthermore that there is no mysterious psychological secret to virginity, but only this humility and a literal cleansing, in body and in Grace. And once cleansed, it is perfectly the same as before, coupled with humility. Furthermore the perfect way you described it was so perfect and manly, quite frankly! It solved it! You solved it, and delivered the perfect covenant and Ensign. I don't even care anymore about what it is, so long as my Loving Father in Heaven's hand is in it! Now to you, Elisha, can you deny that this is the perfect covenant? Come unto us; repent and believe! It is as simple as Grace and perfect Union. Adam and Eve are the perfect standard of virtue and purity, for us.

Elijah, furthermore, the two candlesticks, is not a missionary companionship, but a missionary couple? Brilliant! As you left the Garden of Eden, so shall you return. I Love you Elijah! I am Abraham and Peter; and you are Michael, Adam, Israel, Elijah, and John the Revelator! This is beyond amazing. Also thank you! Also thank you for clarifying the falsehood of Adam-God and the Trinity. I was so confused between everything I was hearing. There had never been such a powerful set of deceptions set in array before me, ever! I believe that the last few weeks has been in Satan's plans for thousands of years. When I stood with Elisha's letters on one hand, and your Epistle on the other. Like one Rod of Damnation, and one of Salvation; and I said; This is the Covenant I take! I choose Elijah. And I dedicated our marriage unto God, and prayed in Union with her, and felt that pure Grace; and even after I feared but repented; I believe that the Spirit of God has witnessed to me, that in those moments, hell shook! I have chosen the right, and have believed unto Salvation. I Love you! No restitution but this Epistle! (Oh, but Micha can't beat me up unless God lets her.) Now, no restitution but your love. I Love you!!! I am crying. Love Abraham -

Elijah, Send a note of receipt, of this letter quickly! Thank you! Love-me.
