

Oh Father Hayah, please forgive me of all my sins, please apply the atoneing blood of Benbanuh unto me, and all my wives; and please fill us with the Holy Spirit, and sanctify us by the power of thy Spirit. Father Hayah, I am sorry for receiving false visitations from the nine devils called the crystal spaceship visions. Father, because the second crystal spaceship vision denies the literal Resurrection of Benbanuh, I desire to receive a new Revelation concerning the Resurrection, that I may more fully publish my sure testimony of the Resurrection. I love thee Hayah with all my soul, in the name of Benbanuh, Amen.

Thus saith the Lord, My son Samuel, thou art Abraham, and thou art my apostle Peter, who was with me in Jerusalem. Fear not thine false revelations; those revealed to thee by Satan, nor those which came by thine own heart, nor even that this revelation may become polluted by thine own interpolations, or influenced by other spirits.

Yea, fear none of these things, for behold, thy false works shall be destroyed, and thy true works shall be preserved. For no false works, which are not by me, or by my word, shall stand in the day of my coming, and in the day of the first Resurrection, which is the day of the millennium.

Behold, even the website that thou publisheth this upon shall be destroyed when Babylon falls, and when the whore is burned with fire. For lo, and behold, I the Lord did reveal unto you that the power of this last work shall come in when the whore of all the earth, even the nations of the great and abominable church, are at war. And now, verily they are at war in Ukrain, wherefore ye can know that the time is short before the desolating scourge shall destroy this nation, and all nations that will not join with the beast, who fight against me.

Verily at the time that the whore is burned thy website shall cease to exist, wherefore thy bad works and false Revelations shall be burned with her. But, lo, thy good works and true Revelations have already been recorded by holy Angels who are all around thee, and with me; also Livtoria thy wife hath recorded them, and hath every good work that thou hast performed recorded in heavenly hard-drives.

And now, behold, thou knowest by the power of the Holy Spirit that there is a literal and Eternally powerful Resurrection, and as Peter thou handled my literal and physical Resurrected body, as thou wilt again in this life, in thy mortal translated flesh. Wherefore rejoice! And prophecy of me. I come quickly, even so. Amen.

I Sam Shaffer, speak by the Holy Ghost, and in the Spirit of Prophecy, that Jesus Christ has a literal Resurrected body of flesh and bones, filled with spirit instead of blood. In Benbanuh's name Jesus, amen.
